11,15 am - 11,30 am	COFFEE BREAK		
11,30 am - 1,15 pm	History of Sports Medicine	Naval and Port Medicine	VARIA
2,30 - 5 pm	GENERAL ASSEMBLY FAREWELL CEREMONY SISM President G. ARMOCIDA ISHM Incoming President Congress President A. MUSAJO-SOMMA Hon. Congress President Emeritus Professor of History of Medicine Bruno ZANOBI		

DAY BY DAY PROGRAM

SUNDAY SEPTEMBER 5

h 6,45 p. m. – h 7,45 p. m. – OPENING LECTURES

John CULE *A Welsh medical captain in Magna Graecia*

Macjei HENNEBERG *Archaeology and medicine: The studies of human remains of the*
Joseph C. CARTER *Greek colony Metaponto*

Alain TOUWAIDE *Scientific Concerto*

MONDAY SEPTEMBER 6

**ROOM Pitagora - h 08,00 a. m. - MASTER LECTURE BY RENATA HENNEBERG:
Bones, teeth and the diseases of ancient people. The biological anthropologists and
palaeopathologist account.**

h 09,00 a.m. – h 11,15 a. m. - A - Medicine and Archaeology

Chairpersons: M. Henneberg, Australia - G. Armocida, Italy

- Allabadi A. *Prehistoric medicine.*
- Papadopoulos C. *Cultural and political reasons behind the foundation of Asklepia in the*
Felescouras A. *Peloponnese area in Greece, and further beyond.*
Diamandopoulos A.
- Sassi A. *Anthropological and paleopathological investigations at the laboratories of*
Dionigi A. *the Varese Faculty of Medicine.*
- Chavda S. *A surprise in an ancient jar.*
Gillian Sheppard
Ahmes L Pahor
- Tahberer B. *Asklepios in ancient cilician numismatics.*
Uzel Y.
- Arda B. *The collection of the surgical instruments of the deontology*
Aksu M. *Department of Ankara University School of Medicine.*
- Jesman C. *Instruments for liturgical, medical and hygienic procedures in the*
Jesman J. *collections of museums in Lodz.*
- Stupar D. *Archeological discovery of medical instruments and equipment from the*
Parojcic D. *ancient roman period at the territory of Serbia.*
Stupar M.
- Congiu L. *L'uovo orfico – pitagorico.*

ROOM Alcmeone

h 09,00 a. m.– h 11,15 a. m. - I - VARIA

Chairpersons: A. Chiancone, Uruguay - D. Balalykin, Russia

- Tasouli A. *Historical aspects of enteral nutrition.*
Papadopoulos K.

Geroulanos S.

Papadopoulos K.
Palazis L.
Kriaras J.

Parenteral nutrition: An historical view from antiquity to the end of the 19th century.

Palazis L.
Tasouli A.
Papadopoulos K.

Parenteral nutrition: Developments in the course of the 20th century.

Gyory J.
Gyory H.

Magical components in ancient Egyptian ophthalmology.

Roquigny P. J. P.

Histoire de la comprehension de la cataracte.

Neri-Vela R.

Ophthalmology teaching Mexico.

Collins K.

Treatment of trachoma in Palestine during the British mandate.

Kahya E.
Özçelikay G.

Herba thyme as a drug.

Aroua M.

La toxicologie dans la médecine arabe: diagnostic et prise en charge.

ROOM Milone

*h 09,00 a. m. – h 11,15 a. m. - Grmek Memorial Course "Medicine and Philosophy" -
Chairpersons: B. Belicza, Croatia - L. Dibattista, Italy*

Belicza B.

M.D.Grmek's role and contribution in the development of History of Medicine Education and Research of History of Medicine in Croatia.

Ranjbar Fakhri M.

Avicenna and Zeinaddin Esmail Jorjani's theories on health.

Sorokina T.

Physicians of the world against violence and terrorism.

Leo G.

Il suicidio nella seconda metà del XIX secolo: Dalla cura all'educazione.

Khelaia N.
Gurgenidze G.
Shengelia R.

Giuseppe Garibaldi and folk healers.

ROOM Clarke

h 09,30 a. m. – h 11,15 a. m. - I - VARIA

Chairpersons: M. Ramos de Viesca, Mexico - E. Poulakou-Rebelakou, Greece

- Kaadan A. N.** *Albucasis and thyroid surgery.*
- Ravanbakhsh E.** *Avicenna; and his influence on medicine advancement.*
Nasiri E.
Jafari H.
- Ahmes L. P.** *Some ancient Egyptian and modern proverbs related to ear, nose and throat.*
Swarupsinh V. C.
- La Marca A.** *La chirurgia romana nei Bruttii. L'Instrumentarium di un medico "Condotto" di età imperiale romana nella Media Valle del Crati.*
- Breazu G.** *Shakespeare and medicine.*

h 11,15 a. m. – h 11,30 a. m. - COFFEE / TEA BREAK

ROOM Pitagora

h 11,30 a. m. - h 01,30 p. m. - A - Medicine and Archaeology

Chairpersons: R. Shengelia, Georgia - A. Goldberg, Israel

- De Carolis S.** *Terapia e chirurgia nell'antica Roma: contenitori per farmaci da una domus d'età imperiale.*
- Chavda S.** *Ear tablets in ancient Egypt.*
Ahmes L. P.
- Battistini G.** *I vasi di ceramica attici, di Cnido, di Tanagra, di Vulci parlano anche di medicina.*
- Peto M.** *Ricordi della sanità pubblica e della storia della medicina di Aquincum.*
- Shengelia R.** *Medical properties of archeological excavations in Georgia.*
Khelaia N.
Gurgenidze M.
- Kovachev A.** *The archeological finds with medical contents in South-West Bulgaria.*
Kovacheva L.
- Allegra C.** *Medicina e chirurgia nel patrimonio archeologico toscano.*
Lippi D.
Cianferoni C.
- Nissen C.** *Un sanctuaire thérapeutique du Dieu lunaire Mên à Antioche de Pisidie.*

ROOM Alcmeone

h 11,30 a. m. - h 01,30 p. m. - I - VARIA

Chairpersons: N. Marcu, Romania - J. Parascandola, USA

- Shvarts S.** *Hygiene of the women, hygiene of the nation: the socio-political and medical view of Dr. Miriam Aharonova 1889-1967.*
- Stoler -Liss S.**
- Aroua N.** *Hygiène et confort dans les bains publics d'Alger a l'époque Ottomane.*

- Sari N.** *On the philosophy of treatment by means of music in Ottomans.*
- Schena F. P.** *The role of Domenico Cotugno in the history of proteinuria.*
- De Santo N. G.** *Pierre-Joseph Desault (1738-1785), a forerunner of modern medical teaching and founder of nephrology.*
- Bisaccia C.**
- Richet G.**
- Iorio L.** *The development of nephrology in the monastic era (from VIII to XII century).*
- Eknoyan G.** *Art, anatomy and medicine.*

h 01,15 p. m. – h 2,30 p. m. - LUNCH BREAK

ROOM Pitagora

h. 2,30 p. m. – h 5,00 p. m. - D - The Role of Placebo in Clinical Trial

Chairpersons: S. Geroulanos, Greece - E. Ramírez Leyva, Mexico

- Buken N. O.** *Placebo and placebo effect in clinical trial.*
- Büken E.**
- Conti A. A.** *An updated history of the concept of placebo.*

- Conti A.
Gensini G. F.
- Magnano G. *L'effetto placebo come analogo dell'induzione comportamentale in natura.*
- Aliverti M. *Un contributo di Enrico Morselli (1852-1929) sulla fisiopsicologia della suggestione.*
- Spiropoulos T.
Papadopoulos G.
Andriopoulos P. *Can contemporary medicine explain the placebo effect? From conditioning to meaning response.*
- Ramírez Leyva E. *Herb medicine and healing rituals in the Nueva España.*
- Abbasian A.
Naseri M.
Ghaffari F. *Anti-inflammatory drugs in the texts of Traditional Iranian Medicine (TIM).*
- Buchman Y. *R. Hayyim Vital, the Kabbalist as Healer.*
- Soffer T.
Goldberg A.
Davidovitch N. *From healing plants to chiropractic.*
- Chama A. *Une oeuvre de minéralogie arabe dans sa version italienne "Fior di Pensieri sulle Pietre Preziose di Ahmed Teifascite" par Antonio Raineri Biscia (XIX° Siècle)*

ROOM Alcmeone

h 02,30 p. m. – h 05,00 p. m. - B - Medicine and Mathematics for Health Devices

Chairpersons: S. Shvarts, Israel - L. B. Lichterman, Russia

- Siamian H.
Mehdi Y.
Nasiri E. *History of medical records from the cave to cyberspace.*
- Diamandopoulos A.
Kassimatis T.
Goudas P. *The first clues on statistical analysis in medicine from Galen's writings.*
- Haddad F. S. *Medicine and mathematics.*
- Conti A.
Gensini G.F.
Conti A. A. *Normality: From philosophy to statistics and laboratory values.*
- Steinberg D. *Mathematics and the history of neuroscience.*

Vanagt K. *Kepler among the doctors: V. F. Plempius's 'Ophthalmographia' (1632).*

ROOM Milone

h 02,30 p. m. – h 05,00 p. m. - I - VARIA

Chairpersons: J. Blair, UK - L. Melillo, Italy

Melillo L. *Tra urbanistica, archeologia e Dna: Pompei, patrimonio unico per la storia della medicina.*
Cipollaro M.
Manzo A.

Manoliu V. *The Italian historians of medicine as participants at the I-XXXVI International Congress.*

Manoliu V. *Italy and the International congresses for the history of medicine.*

Conti A. A.
Conti A. A.** *A brief history of "Health Technology Assessment".*
- Lucarella A.** *Cosa s'intende per metodo sperimentale.*
- De Toma S.** *Marcello Malpighi e Giovanni Girolamo Sbaraglia: l'affermarsi del metodo sperimentale alle origini del moderno.*

ROOM Alcmeone

h 09,00 a. m. - 11,15 a. m. - I - VARIA

Chairpersons: P. Albou, France - A. Radu, Romania

- Radu A.** *Corps humain et maladie chez Céline, Sartre et Malraux.*
- Rosso A. M.** *Du sommeil aux songes: théories et croyances dans l'antiquité.*
- Joutsivuo T.** *The affections of mind in Santorio Santorio's "De Statica Medicina".*
- Vanni D.** *Sui "Principi elementari di Frenologia" del Dottore Giuseppe Canziani (1838).*
- Albou P.** *Le laboratoire d'Alzheimer à Munich, ou la naissance de l'histopathologie moderne du cortex cérébral.*
- Maria Sueli M.
Pumar-Cantini L.** *De-Ospedalizzazione: La pazzia, famiglia e società - Sfide di un nuovo paradigma.*

- Stancheva-Popkostadino** *Child-Youth psychiatry in Bulgaria- Historical aspects and perspectives.*
- Pierrri G.
Zito V.** *Le fanciulle miracolose del XVI secolo.*
- Yefet E.** *Hospitals for the insane in Palestine (1895-1948).*
- Cavit O.** *Dans une region de la Turquie, la tradition d'habiller les malades menteaux et psychotiques par une robe specifique.*

ROOM Milone

h 09,00 a. m. – h 11,15 a. m. - Grmek Memorial Course "Medicine and Philosophy" - Satellite Symposium "Oncology: History and Epistemology"
Chairpersons: T. Berardi, Italy - E. Altomare, Italy

- Berardi T.
D'Eredità G.** *History of breast oncology.*
- Malliou S.
Kriaras J.
Geroulanos S.** *The treatment of breast cancer in ancient Greece Hellenistic world and Bizantium.*
- Rispoli G.** *Storia del bisturi, kappa e retto.
(Storia del cancro del retto).*
- Pezzolla A.** *La storia della laparoscopia in chirurgia.*
- Robustelli della Cuna G.** *Evoluzione storica della chemioterapia.*
- Altomare E.** *Il contributo della Puglia alla storia della chemioterapia.*
- Silvestris F.
Dammacco F.** *L'immunologia.*
- Paradiso A.** *Genetica e biologia molecolare.*

ROOM Clarke

h 09,00 a. m. – h 11,15 a. m. - I - VARIA
Chairpersons: T. Sorokina, Russia - P. Vanni, Italy

- Supady J.
Bieganska M.** *Diseases and medicine in Soviet camps in memories of former prisoners of Gul-ag.*

- Stojanovic S.**
Jovanovic-Simic J. *Queen Mary Karađorđević great benefactor of The Red Cross Nurse School.*

SCIENTIFIC PROGRAM INFORMATION

Poster Mounting

Mounting will be possible on Sunday, September, 5

Poster Removal

Please remove your poster on Friday, September, 10

Please note that the organisers cannot assume any liability for loss or damage of posters displayed in the poster area. Posters that are not taken away at 5 pm hrs, will be removed by the staff and will not be kept or mailed to the author after the meeting.

Posters on display

Posters will be on display during the whole meeting. In order to enable discussion and interaction with the other participants, authors are kindly requested to be present at their poster discussion room according to the schedule.

Poster Numbers

Poster board numbers can be found in the poster author index in this booklet. The staff in the Poster Area will help you in finding both the number and location of the board. Adhesive material will be provided.

Program changes

The organisers cannot assume any liability for changes in the program due to external or unforeseen circumstances.

Projection and Technical Settings

- The chairpersons of your session will be strict in allowing no more than the time allotted to your paper (15 mins.).

- Remember to allow some time for questions and discussion.
- Make you known to the chairpersons in your session room before the beginning of the session.
- All rooms will be equipped with data, slide and overhead projectors.
- If you use data projection, it is essential that you view your presentation in the lecture room preferably the day BEFORE your talk.
- The lecture rooms are exclusively equipped with Windows-PCs (no Macintosh machines).
- No personal laptop is allowed. If you need any help, please contact the projectionist in the lecture room well in advance of your talk.
- File Format: Microsoft® Power Point™ presentation formatted for Windows® (PC) only.
- Maximum Resolution: XGA (1024 x 768 Pixels).
- Data, slide and overhead projectors are available.

SOCIAL PROGRAM

Sunday, September, 5

8,30 pm Welcome Party

Monday, September, 6

9 am bus departure for visiting the Policoro Archaeological Museum and on-site archaeological ruins

INFORMAZIONI SUL PROGRAMMA SCIENTIFICO

Affissione dei poster

Sarà possibile affiggere i poster sabato 5 Settembre.

Rimozione dei poster

Si prega di rimuovere il proprio poster venerdì 10 Settembre.

Nota bene: Gli organizzatori non si assumeranno alcuna responsabilità in caso di perdita o danni arrecati ai poster esposti nell'area destinata. I poster che non verranno rimossi alle ore 17.00, verranno eliminati dallo staff e non saranno conservati o spediti all'autore dopo la fine del congresso.

Esposizione dei poster

I poster rimarranno esposti per tutta la durata del congresso. Per permettere il dibattito e l'interazione con gli altri partecipanti, gli autori sono pregati di presenziare al dibattito sul proprio poster secondo il programma.

Assegnazione del numero

La numerazione assegnata ai poster si trova nell'indice dei poster di questo programma. Lo staff presente nell'Area Poster vi aiuterà a ricercare il numero del vostro cartellone e ad esporlo. Verrà fornito il materiale adesivo.

Cambiamenti nel programma.

Gli organizzatori non si assumono alcuna responsabilità per cambiamenti di programma dovuti a circostanze esterne o imprevisti.

Informazioni sulla proiezione e le attrezzature tecniche

- I presidenti della sessione vi concederanno rigorosamente solo il tempo assegnatovi per la vostra relazione (15 min.).
- Ricordatevi di lasciare un pò di tempo per il dibattito.
- Presentatevi ai presidenti della vostra sessione prima dell'inizio della sessione stessa.
- Tutte le sale saranno attrezzate con proiettori diapositive e lavagne luminose.
- Se utilizzate proiettori, è preferibile che vediate la vostra presentazione nella sala conferenze almeno il giorno prima della vostra relazione.
- Le sale-conferenze sono attrezzate esclusivamente con PC Windows (non Macintosh).
- Non è permesso l'utilizzo di portatili personali. Se avete bisogno di aiuto, vi preghiamo di contattare il tecnico nella sala-conferenze con largo anticipo rispetto all'inizio della vostra relazione.
- Formato dei file: Presentazione Microsoft® Power Point™ solo per Windows® (PC).
- Risoluzione minima: XGA (1024 x 768 pixel).

- Sono disponibili diaproiettori, lavagne luminose e proiettori dati.

INFORMATIONS SUR LE PROGRAMME SCIENTIFIQUE

Montage des posters

Il sera possible de monter les posters le samedi 5 septembre.

Démontage des posters

Veillez démonter votre poster le vendredi 10 septembre.

Veillez noter que les organisateurs ne seront en aucun cas responsables pour toute perte ou dommage causés aux posters affichés dans l'Espace Poster. Les posters non démontés à 17 heures seront éliminés par notre équipe et ne seront pas gardés ou renvoyés aux auteurs à la fin du congrès.

Exposition des posters

Les posters resteront affichés tout au long du congrès. Les auteurs sont priés d'être présents près de leur poster à l'heure indiquée pour leur présentation pour répondre aux questions des participants.

Numération des posters

Les posters seront numérotés avec le numéro tel qu'indiqué dans l'index des posters de ce livret. L'équipe de l'Espace Poster vous aidera à trouver le numéro de votre panneau et à afficher votre poster. Des papiers collants seront fournis pour monter vos posters.

Changements de programme

Les organisateurs n'assumeront aucune responsabilité en cas de changements de programme dus à des circonstances extérieures ou en cas d'imprévu.

Projection et équipement audio/visual

- Les présidents de votre séance ne vous donneront que le temps prévu pour votre communication (15 mins.).

- Veuillez vous rappeler de laisser peu de temps aux questions.
- Il est recommandé de vous faire connaître aux présidents de votre séance avant le début de la séance.
- Toutes les salles seront équipées avec projecteurs de données (PowerPoint via CD ou disquette), projecteurs de diapositives et rétroprojecteurs.
- Si vous utilisez des projecteurs de données, il est préférable de voir votre présentation dans la salle de conférences le jour avant votre communication.
- Toutes les salles des conférences ne sont équipées qu'avec des ordinateurs Windows (il n'y a pas d'ordinateurs Macintosh).
- Il ne sera pas possible d'utiliser vos ordinateurs portables personnels. Si vous avez besoin d'aide, veuillez contacter le projectionniste de la salle de conférence bien avant votre présentation.
- Format des Files: présentation Microsoft® Power Point™ pour les ordinateurs Windows®
- Résolution minimale: XGA (1024 x 768 pixels).
- Des projecteurs de données (PowerPoint via CD ou disquette), diapositives et des rétroprojecteurs sont disponibles.
